CCM SPRING SEMINAR: Christ in Relationships

“Jim’s no-nonsense approach to dealing with the plain spoken Word of God transformed not only my relationship with my father, but changed forever the way that I look at scripture.”

Matt Meyer, '85 U of I graduate and mining executive.

Who needs to be there?

Anybody hungering for practical ways to apply Biblical truths should register now.

Why should you come?

The seminar is an opportunity to hear the accumulation of 60 years of following Christ. Jim's presentation is immensely practical. Given that Jim doesn't travel much anymore, this is an excellent opportunity to hear him teach in person.

How much does it cost?

The seminar is being provided free of charge.

“Listening to Jim teach is about as comfortable as having 3rd degree burns scrubbed clean but just as valuable.”
